6 to 8: An analysis of Title 5 Chapter 5102 Section A(a)(1), and the provisions of HR 5544 clearly indicates that the Director's authority to establish and fix the rates of pay of supergrade positions remains in tact. HR 5544 applies only to Government Departments that meet the definition of an "agency" in Title 5, 5102, in which CIA is expressly excluded. See lines 4 thru 8 on pg 3 of the bill.
